RESPONSE TO NOTICE OF ALLOWANCE AND FEE(S) DUE

Dear Sir:

This is in response to the Notice of Allowance and Fee(s) Due mailed on September 8, 2003, regarding the above-identified application. The Notice is believed to be incomplete since it fails to acknowledge the following two documents filed prior to the issuance of the Notice:

1) The Amendment Under 37 CFR § 1.312 filed by facsimile on April 10, 2003 (copy enclosed along with fax transmittal form verifying complete transmission on that date). This Amendment amended certain claims and also added claims 18-31 to the application

2) The Amendment filed by facsimile on June 2, 2003, along with the Petition to Withdraw from Issue¹ and Request for Continued Examination (copy of Amendment is enclosed along with fax transmittal form verifying complete transmission on that date). This Amendment cancelled claim 12 and added claims 32-58 to the application.

In addition, on the Supplemental Information Disclosure Statement by Applicant form return with the Notice (copy is enclosed; the original was filed with the IDS on August 15, 2002), the Examiner crossed through the citation to copending US Appln No. 09/961,822, and it is therefore unclear on the record whether or not this copending application was considered.

¹ The Petition to Withdraw from Issue was granted on June 3, 2003. (copy enclosed)

**RESPONSE TO NOTICE OF ALLOWANCE AND FEE(S) DUE
USSN 09/975,418
ATTY. DOCKET NO. 1/1149**

In view of the above, the Examiner is respectfully requested to consider and acknowledge both Amendments filed on April 10 and June 2, 2003, and the Supplemental IDS originally filed August 15, 2002, and return with the next communication an initialed and signed copy of the Supplemental IDS form to the undersigned (a clean copy of the Supplemental IDS is provided herewith for the Examiner's use).

Applicants submit that the present application remains in condition for allowance. The Examiner is therefore respectfully requested to issue a new Notice of Allowance and Fee(s) Due and a new Notice of Allowability that acknowledges and takes into consideration the Amendments and IDS documents mentioned above, especially in box 1 ("This communication is responsive to ____") and box 2 ("The allowed claim(s) is/are ____") of the Notice of Allowability, thereby resetting the date on which the Issue Fee payment is due.

The Examiner is respectfully requested to call the undersigned attorney at the telephone number listed below to confirm receipt of this paper and attachments.

Respectfully submitted,

Philip I. Datlow
